

## **Aeschylus**

**He who learns must suffer**

**even in our sleep  
pain that cannot forget  
falls drop by drop  
upon the heart**

**in our own despair  
against our will  
comes wisdom to us  
by the awful grace of God.**

## **Power of Words**

**Words are the physicians of the mind diseased.**

Agamemnon by Aeschylus

William Blake 1884

**The priest of Dionysus** sits in a special throne.
