

Galactic Alignment Winter Solstice 2012 12/21/2012

Two Suns – Two Lights

More will perceive Two Suns – Two Lights.
 One is Solar Sun. The Other is Galactic Great Central Sun.

Consciousness will attune itself into Two Lights – Two Suns.
 Consciousness will naturally attune itself into Solar Sun and Galactic Great Central Sun.

We become Light. Light transcends Karma – Fear (Sai Baba). We live by Light
 (Compassion), no more by Fear. We are Light. We are Love.
