Do you have questions to the Universes?

Do you want to receive guidance from the Universes?

Do you want to know about your spirit guides and teachers, life path, soul purpose, soul lessons, your unique gifts parted by Divine?

Or do you just need a gentle reminder that Eternal is Now? You may just need a gentle reminder that just in this moment of now, everything is happening - past, present and future.

All you have to do is to tune into now and live right in this moment. You will come to the realization that all the answers and resources are already inside you.

You have everything you need, right now, in this moment, inside your heart where your soul resides.

You have everything.

You are everything.

You are everywhere.

I hope this reading will assist you to tap into the Eternal Wellspring inside you, in your heart, in your soul.

Hello, my name is Kimie Goto.

I am a **channel, counselor and healer**, living in Placitas, a village near Albuquerque and Santa Fe, New Mexico, USA.

I may be able to assist you to go on your path.

I devote my life to be a channel of the divine sources at the best of my capacity.

Kimie's profile...

I am also a Reiki Master-Teacher.

I practice Western, Vedic and Mayan Astrology.

I practice numerology and tarot.

I teach meditation and conscious channeling.

I was born and raised in Japan.

Left for Africa in 1981.

Living in the United States of America since 1986.

MBA from Stanford Business School and BS in Mathematics from Nagoya University, Japan.

I live in Placitas, New Mexico since 2001.

Sandia Man Cave is about 8 miles from here.

The Cave is like a Vagina – a doorway (portal) to Mother Earth’s Womb. The opening shapes like a Heart – shapes like a Vagina. There is no staircase or access to the Cave. So when we go there, we meditate and tune into the Cave (Mother Earth’s Womb Energy) from below.

I love spiritual as well as material joy of life such as business, investment, mathematics, science, cats, walking, taking care of my house (e.g. painting), living in a country side, nature, stars, Earth and Universe... I love visiting the sacred sites. I would like to travel all around the world to visit the sacred sites.

Information and energies in your soul - akashic record.

Your soul lives forever. Your soul memories or Akashic Records information are infinite. What will come through in one reading will be what you need most for your present learning and growth.

Examples of the energies and information to be included in a reading may be the following:

Soul Name(s), Soul ID, Vibrations, Sound

Soul origin, history, lineage, soul memories – past, present and future.

Higher – Greater Selves (Atman, 真我、大我), Spirits, guides, teachers, healers, shamans, avatars, Gods, Goddesses... or whatever the existence who are guiding, protecting and loving you... Whatever the existence who wish to connect and speak to you may come forth through the reading experience...

Guidance from the Universe.

Healing from the Universe.

Guidance from your Greater-Higher selves (past, present, future selves).

Soul lessons, karma, soul purpose, life purpose, Dharma (Life Contract, Map, Mithra), gifts and talents imparted from Divine – One Light – One Existence of the Universe.

The purpose of the reading is to assist your soul journey

Your present self will take a loving journey to re-unite with your heritage and legacy, your past life selves and future life selves. You will be whole. You are whole NOW.

We hope the soul - Akashic record reading will provide the clues and hints for you to envision the **map** - the map of your soul return, the map of your reuniting with your **WHOLE SELF**.

Whole Self is the integrated total of your all past life selves, present life selves and future life selves. Whole Self is the integrated total of your ancestor spirits and you whole self and future spirits.

Again, keep in mind everyone's soul – Akashic information is unique and infinite. In one reading, what your heart or soul wants to reveal most urgently will be revealed or channeled. Not all Akashic information will come in one reading. If that happens, that will be too much for absorption, right?

Reading is a joyous experience to re-unite with your past selves, present selves, future selves, spirits, guides, teachers, healers, shamans, ancestors, descendants, the Universes, Mother Earth, Stars, existence in the energetic dimensions...

Reading is done by phone or in person.

New Mexico is a healing place.

A transition happens.

Healing happens.

A change from one quality to another will happen.

One may raise or re-awaken Maitreya Consciousness from inside, from outside.

Maitreya is Miroku Bodhisattva – Mithra – Mitra.

Maitreya is “oath” “covenant” “what is to bind Self to Divine”.

You will remember “My Maitreya”, “My Mithra” – “What is binding (connecting) myself to Divine (Universe, Divine, Earth, Stars...)”. **My True Connection – Oneness to Divine (The Light, The One Existence of the Universe).**

You will re-awaken the “divine contract” or “divine map” you promised to fulfill in this life time with the Universe. That is, you will raise or re-awaken **MAITREYA CONSCIOUSNESS**. You will remember **the Life Contract** and you will **do It!**

Placitas is 40 minutes from Albuquerque and 1 hour from Santa Fe.

Kimie is telepathic and clairvoyant. Kimie will tune into your soul and Akashic Fields - Akashic Records from wherever she is to wherever you are. Physical distance really does not matter. Phone reading is equally powerful as in-person reading. Power of

consciousness is much beyond the powers of the physical senses. With our consciousness, **we reach one another**. Through our consciousness, we are one. We are **all connected**. Reading an experience of Oneness, the sense of we are all connected. We are all one.

Notes

Eternity in NOW

We would like to do a reading such that, thorough the reading experience, you feel the **Eternity in NOW**. Your existence is eternal. Everything is in Eternal NOW. All your selves - past, present, future and higher – greater selves exist right NOW in this moment. They are ONE and they work together. They are all You..

Through the reading, we would like to help you produce or create such moment - **Eternity in NOW** - That is our goal... You are an Eternal Existence. Have **NO FEAR**. We live our life with **Jyoti – Joy, Delight and Love**. We co-produce and co-create Reality with Brahma, Vishnu and Shiva.

Lila – Reality is a Divine Play. There is no Fate or a pre-set future. No one dominates. No one controls. We all participate, co-produce and co-create the Future – Reality. We work together with humans and non-humans (avatars).

Future is possibilities or probabilities as Quantum Physics say. Reality is Possibilities. We are full of Possibilities. We have infinite resources. We have infinite gifts parted by Divine – One God, One Light. We hope the reading assists you to find the divine gifts parted by One and know the mission (dharma, soul purpose). You **empower yourself** to carry out the mission (dharma, soul purpose).

We may not give you the answers you are looking for. The answers may be for yours to find by yourself. The reading may help you channel the answers by yourself for yourself.

We may provide information, knowledge, energies, healing, guidance, love, support... so that you can carry on your journey – your life to find the answers by yourself for yourself. We are gladly to be your companions and assistance on your journey, so-called “life”. We are always HERE NOW.

As we are meeting and connecting now, we have met before and we shall meet again in future!

Namaste Peace Love
